Subject: Resettlement of demobilised medical and auxiliary personnel - Grant of study leave to ex-service (Nursing) personnel who wish to take up advanced Nursing and Midwifery Courses.

* * *

Sir,

I am directed to say that it is understood that a large number of Nurses who held Civil appointments before the war and who, on completion of their nursing course, joined the Indian Medical Nursing Service, are desirous of taking up advanced Nursing and Midwifery courses which are an essential and vital part of their nursing education. I am, therefore, to suggest that as far as possible Nursing Personnel (ex-I.M.N.S., A.N.S. , etc.) returning from war service to service under the Provincial Government should be given study leave to enable them to take up advanced Nursing and Midwifery courses.

2. An early reply is requested.
